a Court for the Malur town only. The original proposal was for a Court at Malur with jurisdiction over 61 villages.

4) There is nothing in the Regulation itself, to come in the way of the establishment of a Court in a town. This will perhaps be the first instance, & may lead to a demand from other towns. Whether to start Courts in towns is to restrict them to villages as proper procedure understood is a point for orders. There has been a demand for such Courts or Panchayet Courts, with enhanced jurisdiction from the Bangalore City itself.

5) Draft is however put up for orders.

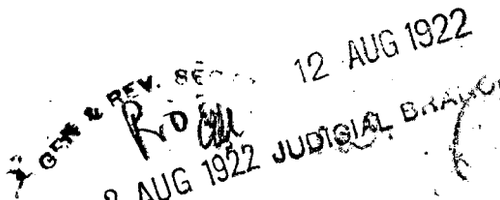
Sir,

In forwarding herewith the entire file of records xxxxx received from the Sub Division Officer, Malur, regarding the formation of a village court at Malur, I have the honor to state that the Town of Malur is the Head Quarters of a Taluk, where several merchants and money lenders reside. It contains a population of more than 3000 and it is reported that the people generally are desirous of having a village Court opened there. Both the Amildar and the Sub Division Officer are in favour of having a court with jurisdiction over 61 other surrounding villages. I am however of opinion that a village court with jurisdiction over Malur Town only, for the time being, may be opened and I request that early sanction of Government may kindly be obtained for its establishment.

I have the honor to be,

Sir,

Your most obedient servant,



For Deputy Commissioner,

Kolar District.
